## **SPIRITUAL MANIFESTATIONS IN AUSTRIA**

Prispevki k odkrivanju zgodovine ezoteričnih tradicij - v izvorniku

---

On the occasion of a brief visit from my cousin, Count Wurmbrand, who was very anxious to witness something in the way of spirit manifestations, Mrs. Pucher, the medium of whom I wrote in my previous communication, was again invited to our house, and sat four evenings for materialisations. The extemporised cabinet previously described was again brought into requisition, and each evening we had the appearance of the lights, which increased constantly in distinctness and interest throughout the *seance*. No full spirit form appeared, as in the former manifestations; but several times the moving light, which was always well defined and came out quite beyond the edge of the door, would elongate as if taking the form of an arm, and if beckoned to, without a word spoken, would respond at once, and brighten as if with delight. When it was asked to move up or down, or outwards, it always suited the action to the word, one time moving a foot or more beyond the edge of the door, leaving the intervening space quite dark. The last evening, during the whole of which the light was unusually bright and distinct, I asked it to show how rapidly spirits moved in the universe, and it passed immediately, almost as a flash, from the bottom to the top of the door in full view of all present. Each evening during the manifestations my cousin sat not more than six feet from the opening, and the other observers present were but little farther away, and one or two could look quite into the cabinet. The space within was so small that the slightest movement of the medium was audible. She, however, as before, was quite unconscious during the manifestations, and saw not a single light the whole time.

We are deeply interested in the results thus far obtained, and look eagerly for more remarkable to follow as the development of the medium proceeds.
